

INTERNATIONAL AMPHICAR OWNERS CLUB

Benefits of Club Membership

Dear Fellow Amphicar Owner or Enthusiast:

We would like to take this opportunity to say hello and ask you to join our great little club. We are over 350 members strong, with both Amphi owners and non-owners. Our sole purpose is to promote the enjoyment and preservation of the Amphicar, and to encourage camaraderie amongst our members. Every year there are numerous Swim-In events; maybe there's one near you. Belonging to the International Amphicar Owners Club (IAOC) only costs \$30 (US) per year. So, what do these smart Amphi enthusiasts get for their modest investment?

First, an IAOC member is granted unlimited admittance to the "Members Only" section of the IAOC web site at <http://www.amphicar.com/>, allowing them access to:

- Down-loadable Owners, Maintenance, Parts, Engine Overhaul and Service Manuals.
- Paint color data .
- The Vehicle Identification Number survey data.
- Past IAOC Newsletters (as old as 1967!).
- Screensavers.
- Swim-In photos.
- And more (we are continually expanding our reference library).

Second, IAOC members receive the bi-monthly edition of our club newsletter, *Wheels-n-Waves*, featuring:

- Swim-in schedules.
- Technical Tips.
- Classified ads (free for members).
- Vendor display ads.
- Amphicar vendor's special sale announcements.
- Member's photos and letters.
- Articles on amphibious fun, Amphicar history, and member interviews.
- Latest member activities (how about our photo shoot with 2 supermodels and 6 Amphis!)

Third, an IAOC member receives protection:

- The IAOC has helped its members by creating a nice, official looking Statement of Marine Horsepower. Now you can show evidence why you should be allowed into horsepower-restricted waters!
- The IAOC has trademarked the "AMPHICAR" name, and extended usage of this mark to all current members. We can all now use the name without worrying about some T-shirt manufacturer harassing us.

Supporting our club strengthens the common goal of the Amphicar experience; it's the old "help us to help you" concept. So do the right thing, grasshopper, and join the IAOC today at:

We look forward to having you as a member of the International Amphicar Owners Club!

Sincerely,

The International Amphicar Owners Club (IAOC)
