

DRY LAND SWIM-IN  
ON  
FEBRUARY 27, 2009  
AT  
GORDON IMPORTS, INC.  
14330 ISELI ROAD  
SANTA FE SPRINGS, CA 90670  
RSVP: (562) 802-1608

**Starting at 10:00AM** on Friday the 27<sup>th</sup>, it will be open house at Gordon Imports! (We will have a very abbreviated day between 8AM and 10AM. Please do not show up before 10AM!) We will have lunch at 12:00 noon, compliments of Gordon Imports, for Amphicar owners. We will have a banquet room for ourselves. You must RSVP to be sure there is space in the room. You can still just show up, but you may have to sit and order for yourselves in the main restaurant area. Personnel from Gordon Imports will join with current and former officers of the International Amphicar Owners Club (IAOC) to discuss Amphicar with all of you.

Following lunch, we will return to the Gordon Imports warehouse. On display will be new product introductions for the first half of 2009. Here are some examples:

1. Stainless steel handbrake cable with grease fitting
2. Tunnel bellow boot, original design
3. Front marine light lens, new production
4. Chrome catch cover
5. Rear section main wire harness
6. Front hood wire harness
7. Rear engine cover wire harness

8. Front hood chrome moulding
9. High performance carburetor with auto choke
10. Stainless steel choke cable
11. Stainless steel hand throttle cable
12. Stainless steel accelerator cable
13. New, time saver clutch cable
14. Powder coated air cleaner assembly
15. Amphicar script
16. Amphicar trademark
17. Back-up lens, style no. 2
18. Parking light lens with chrome ring
19. Front bumper assembly
20. Rear bumper assembly
21. Premium chrome bumper bolts
22. Powder coated front bumper brackets
23. Ignition switch
24. Nitrogen gas shock absorbers
25. Chrome headlight rim
26. Outside door handle
27. Inside door handle
28. Water lock handle
29. Accelerator pedal
30. Heavy duty transmission mount
31. Heavy duty engine mount
32. Propeller
33. Propeller, glow in the dark
34. Radiator shroud
35. Steering box seal
36. Shift lever boot
37. Thermostat kit
38. New, original transmission assembly
39. Windshield rubber frame

The additional parts are planned for introduction on February 27<sup>th</sup>, but may not arrive in time:

1. Taillight moulding
2. Headlight moulding
3. Rear horizontal bumper

4. Stainless steel muffler, bullet type
5. Stainless steel HP muffler exhaust pipe
6. Front main master wire harness
7. Bilge blower wire harness
8. Turn signal switch
9. Bilge pump switch
10. Steering shaft boot
11. Late bilge plug
12. Late bilge plug rubber o-ring

Many other parts are under development and will be introduced at Celina, Boston, Frankenmuth, and Lake Ozark. We would like to attend Mt. Dora, Sabula/Chicago, Harbor Springs and Orillia, but they are scheduled during the spring boating season rush, and we cannot take the time off for fun.

All parts at our warehouse may be purchased and/or picked up with the same 10% extra discount that Amphicar owners receive at other IAOC events where we participate.

We are located about a half hour west of Los Angeles Airport (LAX). Air fares today are \$198 round trip from Boston, Chicago, New York, Detroit, Orlando, etc. So, you can fly in for the day and return the next. Or, and here's the real fun, book at Disneyland (about 20 minutes from our warehouse) and stay a few extra days. Hotels have super deals. The local airport shuttle stops by at our warehouse as well. **Call (562) 802-1608 with your RSVP.** See you here!
